

CHARDONNAY

Delle Venezie
INDICAZIONE GEOGRAFICA TIPICA

PRODUCTION AREA

The production area includes a wide surface on the plain of the Friuli Region. In this land, well-known for its profound winemaking expertise, the nature of the soil and the particularly mild climate have contributed to create the best conditions for the vine growth.

GRAPE VARIETY

White vigorous grape of very different components. Of French origin, it has found its ideal setting in Friuli. It is one of the most popular grapes in the world.

WINEMAKING

The vinification consists in the traditional «white method»: the grapes are gently pressed and destemmed, then follows the alcoholic fermentation at low temperature. After the stabilization procedure, the wine is bottled using modern technologies.
